

Publication on Regulated Agreements
pursuant to Article L. 225-40-2 of the French Commercial Code¹

CONCLUSION OF AGREEMENTS WITH DASSAULT SYSTÈMES
(approval of the Board of Directors on October 30, 2019)

- Master agreement (“Master CLOSA”) between Sanofi-Aventis Group (“SAG”), Sanofi’s 100 % subsidiary, and Dassault Systèmes
 - o Purpose of the Agreement: Definition of the conditions to obtain the right to use (license) the software solution developed by Dassault Systèmes and to benefit from the related maintenance and support services.
 - o Duration: 5 years with the possibility of renewal
 - o Application Agreements (“Transaction Documents”), one with SAG, and the other one with Sanofi US Services Inc. (USA), both being concluded with Dassault Systèmes. The purpose of those agreements is to allow the subscription, by a certain number of users, to licenses granted under the Master agreement.

- Implementation Services Agreement between SAG and Dassault Systèmes
 - o Purpose of the Agreement: Configuration, parametrization of the solution software chosen in the information system of Sanofi, by Dassault Systèmes
 - o Duration: 3 years.

Project financial conditions: < 15 M€.

Interested person: Bernard Charlès, Sanofi’s director, and Dassault Systèmes’ CEO and Vice-Chairman of the Board.

Interest of the regulated agreements for Sanofi: fully in line with the Group’s digital strategy, the development of a solution to setup an automated management and scientific data sharing system will contribute to digitalize the works done by Sanofi pharmaceutical development laboratories, and to facilitate the internal sharing of the knowledge developed by the scientific team.
