1.12	Yield basis	Compensation type(s): The remuneration is unrestricted i.e. it may be at a fixed rate, at a variable or revisable rate, or structured. Benchmark index(es): The remuneration rates are indexed to the usual rates of the monetary markets.

Compensation rules:

The securities rates may be negative depending on the fixed rates or changes in the usual money market indices used to calculate their remuneration.

At their maturity date, the principal of the securities must always equal par.

Although the securities are redeemed unconditionally at par, the presence of negative interest flows may result with a net amount received by the holder being less than par.

In the case of an issue with an early redemption or repurchase option, the terms of remuneration of the securities will be fixed at the time of the initial issue and may not be changed subsequently, in particular when the early redemption or repurchase option is exercised.

Additional informations:

Certain Benchmarks are subject to ongoing national and international regulatory reforms. Some of these reforms are already effective. These reforms may cause such Benchmarks to perform differently than in the past, or to disappear entirely, or have other consequences that cannot be predicted at this time. Any such consequence could have a material adverse effect on NEU CP linked to a Benchmark. If, at any time prior to or on any interest determination date, the Issuer determines, acting in good faith and in a commercially reasonable manner that (i) a Benchmark ceases to be published as a result of such Benchmark ceasing to be calculated or administered, or (ii) the administrator of the Benchmark has ceased publishing such Benchmark permanently or indefinitely or will cease to do so (in circumstances where no successor administrator has been or will be appointed that will continue publication), or (iii) the Benchmark has been or will be permanently or indefinitely discontinued, or (iv) the Benchmark will be prohibited from being used or its use will be subject to restrictions or adverse consequences, either generally or in respect of the NEU CPs, or (v) the methodology to calculate such Benchmark has materially changed, or (vi) it has or will become unlawful to calculate any payments due to be made to any holder of Neu CP using the relevant Benchmark, or (vii) a decision to withdraw the authorisation or registration, pursuant to article 35 of Regulation (EU)

2016/1011

(as amended and/or supplemented from time to time), of any relevant benchmark administrator previously authorised to publish the relevant Benchmark has been adopted (for avoidance of doubt, the authorisation or registration of the administrator of a Benchmark shall not be considered to be withdrawn if the administration of such Benchmark is transferred to another administrator that is so authorised or registered), the Issuer will – as soon as reasonably practicable –

determine or appoint a determination agent who will determine a successor or alternative rate, being an industry accepted rate that is substantially comparable, and will make the relevant adjustment to the NEU CP accordingly. If this were t

		<p>o occur, the rate of interest on and the trading value of the NEU CP could be adversely affected.</p> <p>If a Benchmark is discontinued, the rate of interest on the affected NEU CP will be changed in a way that may be adverse to holders of NEU CP, without any requirement that the consent of such holders be obtained. The Issuer may also determine that the NEU CP shall be continued without any adjustment. The Issuer may not issue NEU CP with potentially variable principal payments. Such remuneration formulas shall not result in a below par capital redemption.</p>
1.13	Maturity	<p>The maturity of the NEU CP will be set in accordance with French laws and regulations, which implies that, as at the date hereof, the duration of the issues of such securities may not exceed 1 year (365 days or 366 days in leap years).</p> <p>The securities may be redeemed prior to maturity in accordance with the laws and regulations applicable in France.</p> <p>The securities issued under the programme may also include one or more options for redemption by the issuer (at the option of the Issuer, or the holder, or depending on one (or more) event(s) independent of the Issuer and/or the holder).</p> <p>The option of early redemption or repurchase of securities, if applicable, must be explicitly specified in the confirmation form of any relevant issue.</p> <p>In all cases, the maturity of any securities with one or more of these clauses, including any early redemption or repurchase options, will always comply with the regulations in force at the time of issue of the said securities.</p>

Some of the main restrictions are described below but additional restrictions may apply from time to time depending on the target market.</p> <p>Each of the Issuer, the Dealers, the other initial subscribers and the subsequent holders, if any, agree, or shall be deemed</p>

ed to have agreed at the date of the purchase of the NEU CP, to comply with the laws and regulations in force in the country or jurisdiction in which they offer or sell such NEU CP or hold or distribute this information memorandum or any other document relating to the NEU CP and to obtain all authorizations or consents required under any laws and regulations in force in all countries or jurisdictions for that purpose. Neither the Issuer nor any of its Dealers shall incur any liability resulting from the violation of such laws and regulations by any of the other Dealers or initial subscribers, or subsequent holders, if any, of the NEU CP.

The NEU CP are not intended to be offered, sold or otherwise made available to and, should not be offered, sold or otherwise made available to any retail investor in the European Economic Area. For these purposes:

(i) a retail investor means a person who is one (or both) of the following:

(a) a "retail client" as defined in point (11) of article 4 (1) of Directive 2014/65/EU, as amended ("MiFID II"); or

(b) a "customer" within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of article 4(1) of MiFID II; and

(ii) the expression an "offer" includes the communication in any form and by any means of sufficient information on the terms of the offer and the NEU CP to be offered so as to enable an investor to decide to purchase or subscribe the NEU CP.

Consequently no key information document required by Regulation (EU) No 1286/2014 (the "PRIIPs Regulation") for offering or selling the NEU CP or otherwise making them available to retail investors in the European Economic Area has been prepared. Therefore, offering or selling the NEU CP or otherwise making them available to any retail investor in the European Economic Area may be unlawful under the PRIIPs Regulation.

2. France

Each of the Issuer, the Dealers, the other initial subscribers and the subsequent holders, if any, agrees, or shall be deemed to have agreed at the date of the purchase of the NEU CP, to comply with the applicable laws and regulations in force regarding the offer, the placement, the re-purchase or the re-sale of the NEU CP or the distribution and update of documents with respect thereto, including this information memorandum, in France.

3. United States of America

The NEU CP have not been and will not be registered under the U.S. Securities Act of 1933, as amended, (the "Securities Act"),

or any other laws or regulations of any state of the United States of America, and may not be offered, sold or delivered within the United States of America, or to or for the account or benefit of U.S. persons, except in certain transactions exempt from or not subject to the registration requirements of the Securities Act and applicable State securities laws.

Each Dealer or subsequent dealer appointed to the Programme has represented and agreed or will be required to represent and agree that it has not offered, sold, or delivered, and will not offer, sell or deliver, whether directly or indirectly, the NEU CP within the United States of America or to or for the account or benefit of U.S. persons (i) as part of their distribution at any time and (ii) otherwise until the day immediately following 40 days after the completion of the distribution of an identifiable tranche of which the NEU CP are a part (the "**Distribution Compliance Period**").

Each Dealer or subsequent dealer have also agreed or will be required to agree that it will send to each dealer (if any) to which it sells NEU CP during the Distribution Compliance Period a confirmation or other notice setting forth the restrictions on offers and sales of NEU CP within the United States of America or to, for the account or benefit of, U.S. persons.

The NEU CP are being and will be offered and sold only outside the United States of America to non-U.S. persons in reliance on Regulation S under the Securities Act ("**Regulation S**").

In addition, until 40 days after the commencement of the offering of NEU CP, an offer or sale of NEU CP within the United States by any dealer, whether or not participating in the offering, may violate the registration requirements of the Securities Act.

Terms used in this section have the meanings given to them by Regulation S.

4. Japan

The NEU CPs has not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Act No. 25 of 13 April 1948, as amended, the "Financial Instruments and Exchange Act"), and therefore, the NEU CP may not be offered or sold, directly or indirectly, in Japan, or to, or for the account or the benefit of, any resident of Japan (which term as used herein refers to any person residing in Japan, including any corporation or other entity organized under the laws of Japan) or to any other person for re-offering or resale, directly or indirectly, in Japan, or to, or for the account or the benefit of, any resident of Japan, except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Act and any other applicable laws, regulations and ministerial guidelines of Japan in effect at the relevant time. Accordingly, each of the Issuer and the Dealer

rs or other initial subscriber and each subsequent holder has represented and agreed, or will be deemed to have agreed at the date of the purchase of the NEU CP, that it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell any NEU CP in Japan or to, or for the account or the benefit of, any resident of Japan or to others for re-offering or re-sale, directly or indirectly, in Japan or to, or for the account or the benefit of, any resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Act and any other applicable laws, regulations and ministerial guidelines of Japan in effect at the relevant time.

5. United Kingdom

Prohibition of sales to UK Retail Investors

Each of the Issuer, the Dealers, the other initial subscribers and the subsequent holders, if any, of the NEU CP issued under the Programme, agrees, or shall be deemed to have agreed at the date of the purchase of the NEU CP that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available the NEU CP or this information memorandum or any other document related to the NEU CP to any retail investor in the United Kingdom ("UK").

For the purposes of this provision, the expression "retail investor"

means a person who is either one (or both) of the following:

(i) not a professional client, as defined in point (8) of article 2

(ii) not a qualified investor as defined in paragraph 15 of Schedule 1 to the Public Offers and Admissions to Trading Regulations 2024.

Consequently no disclosure document required by the FCA Product Disclosure Sourcebook ("DISC") for offering, selling or distributing the Neu CP or otherwise making them available to retail investors in the UK has been prepared and therefore offering, selling or distributing the Neu CP or otherwise making them available to any retail investor in the UK may be unlawful under the DISC and the Consumer Composite Investments (Designated Activities) Regulations 2024.
